BOLD

CARTRIDGES

BOLD QUALITY. BOLD PRICE. BOLD INNOVATION.

BOLD premium vape cartridges, batteries and hardware for plant based oil extracts, designed to provide a smooth and reliable vaping experience for premium extracts. BOLD technology combines quality, durability and innovation in its vape hardware to support the plant based oil extractor, processor and grower.BOLD utilizes state-of-the-art technology and innovation to craft the most reliable, efficient and elegant solutions available in today's atomizer market. BOLD utilizes best-of-breed components combined with industry leading form, function and materials to deliver the highest level of end-user experience in the market today.
At BOLD, we continually research, test and refine our products to not only meet - but to exceed our clients' requirements and expectations.

LABELS

We offer a variety of custom sticker and label products that can help with packaging and branding. Whether it's for child proof container labels, promotional stickers, or labels for tinctures, jars, or edibles. Make your product packaging and event labels stand out by letting us print them for you.

PACKAGING BRINGS US TOGETHER

"The main reason that we are successful is because we do what we say we are going to do and we don't do anything we can't justify."

E. ADELMAN
